WRIT PETITION No. 16477 of 2000
-

ORDER:

-
When the writ petition came up on 03-10-2007, Sri C.Hanumantha Rao, learned counsel for the petitioner, sought time to file additional material papers in support of his pleadings. On 31-10-2007 again a request was made on his behalf for granting further time. Accordingly, the writ petition is posted today.

At the hearing, Sri Hanumantha Rao pointed out that since the petitioner does not have with it the material such as the applications dated 24-03-1982 and 27-03-1982 filed by the society, the particulars with regard to ownership of the properties in dispute and the copies of the affidavits of the individual members of the society and other documents, he filed an application under the Right to Information Act, 2005 (for short 'the Act') and he submitted that so far the documents have not been supplied by the Government.

I am of the view that without those documents, the cause in the writ petition cannot be comprehensively adjudicated. Learned counsel fairly stated that the petitioner may be permitted to withdraw the writ petition with liberty to file a fresh writ petition after obtaining the relevant documents from the Government under the provisions of the Act.

Therefore, without going into the contentions raised in the writ petition, the writ petition is dismissed as withdrawn with liberty to the petitioner in terms of the prayer made. No costs.
